COMMUNITY DEVELOPMENT STAFF REPORT

2/21/2023

Annexation Overview: The property is described as Map & Tax lot 15-16-04AC 02400. Tax lot 2400 is approximately 0.16 acres, located at 188 SE Williamson Drive with a single family home. The primary purpose of this annexation is to receive City sewer service. This annexation will annex the property and adjacent right-of-way into City limits and re-assign the current County zone of Suburban Residential (SR1) to the City's General Residential (R2) zone.

Current City Comp Plan

Current City/County zoning

153.034 ZONING OF ANNEXED AREAS.

An area annexed to the city shall, upon annexation, assume the zoning classification determined by the city to be in compliance with the Comprehensive Plan and/or the City/County Urban Growth Management Agreement. The determination shall be made by the City Council upon receipt of a recommendation relative thereto from the City Planning Commission.

URBAN GROWTH BOUNDARY AGREEMENT

Article IV (4.1)(a) - The City shall require annexation prior to extending water or sanitary sewer services to any property contiguous to the City within the unincorporated portion of the UGB.

Article V (F) - As a part of any annexation process, the City shall rezone unincorporated lands within the Prineville Urban Growth Boundary Area from the current County Zoning to the appropriate City zoning in compliance with the Urban Area Comprehensive Plan.

Finding 1: The property is already connected to City water. The owner stated that the septic system is failing and therefore needs to connect to City sewer service. Per the Urban Growth Management Agreement the property shall annex into the City to receive City services. The property was allowed to connect to City sewer with the submittal of the annexation applications due to emergency needs. The City Planning Commission shall make a recommendation to City Council on the proposed annexation and zone re-assignment.

The Urban Growth Boundary Agreement with the County requires the City to comply with the comprehensive plan but also select an appropriate City zone based on the current County zone. The zoning determination is based on three factors: first, the Comprehensive plan designation; second, the current County zoning; and third, the surrounding City zoning and function of the area.

The Comprehensive Plan designation for the proposed property is residential and the County zoning is Suburban Residential (SR1) as shown above. The surrounding area within the City is zoned General Residential (R2).

Staff Recommendation: Staff recommends this property be zoned General Residential (R2) upon annexation to the City based on the following:

- Comprehensive Plan designation of residential
- Current County Zone of Suburban Residential (SR1)
- Surrounding properties within the City are zone R2.
