

RESOLUTION NO. 463

APPROVING THE LAUGHLIN-MELROSE FACILITIES PLAN.

WHEREAS, the Federal Government requires the preparation of a Facilities Plan for a proposed sewer project that will receive Federal funding; and

WHEREAS, Robert Meyer's Engineers were hired by the City of Prineville to prepare a Facilities Plan for the Laughlin-Melrose area which plan provides for public participation in the planning process of the proposed sewer project; and

WHEREAS, on February 11, 1975, the City Council held a public hearing on the proposed project; and

WHEREAS, no objections to the proposed project were received by the City Council at said public hearing.

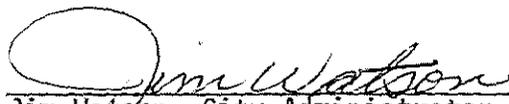

NOW THEREFORE BE IT RESOLVED that the "Laughlin-Melrose Facilities Plan" as prepared and presented by Robert Meyer Engineers, Inc. is hereby approved by the City Council of Prineville, Oregon.

Passed by the City Council this 11th day of Mar., 1975.

Approved by the Mayor this 12th day of Mar., 1975.

Dr. Riley Allen, Mayor

Jim Watson, City Administrator
